If you're travelling with another family, the [Tivoli Lodge, Davos](#), Switzerland sleeps 12 and is in a private location, yet it is ski in/ski out and close to the centre of the village. Perfect for families with young children, the chalet boasts an incredible indoor multi-storey soft-play gym, as well as a fully equipped home cinema – perfect for keeping children entertained indoors. For the grown-ups, there's a spa complex with a jet stream, massage waterfall and air-jet massage together with an indoor pool and sauna. One week costs from £2,230 per person (based on 12 sharing) and this includes children's lunch and supper every day, champagne and canapes each night, dinner on six nights, an open spirits bar and a range of soft drink and carefully selected house wines. Handy, then, with all that free-flowing alcohol to have a chauffeur-driven 4x4 in resort. Flights are not included, but can be arranged by [The Oxford Ski Company](#)
